## F. Image Upload Page

The wireframe shows a web page layout for uploading an image. At the top, there is a header bar with the word "PICTURE" on the left, "Browse Request Art" in the center, and a small profile icon on the right. Below the header, the main content area contains the text "Upload a file" followed by a paragraph: "Use the form to upload files. It's important that every field is filled up correctly." Below this text is a form with the following fields: "Source:" with a text input and a "Browse" button; "Title:" with a text input and an asterisk; "License:" with a dropdown menu and an asterisk; "Category:" with a dropdown menu and an asterisk; "Description:" with a large text area; and "Tags:" with a text input and a note "\* note separate tag with space". At the bottom right of the form is an "UPLOAD" button. At the bottom left of the page is a link "Go back to account Page". The footer contains the text "COPYRIGHTS 2016" followed by links for "PRIVACY POLICY", "ABOUT US", "FAQ", and "TERMS/CONDITION".

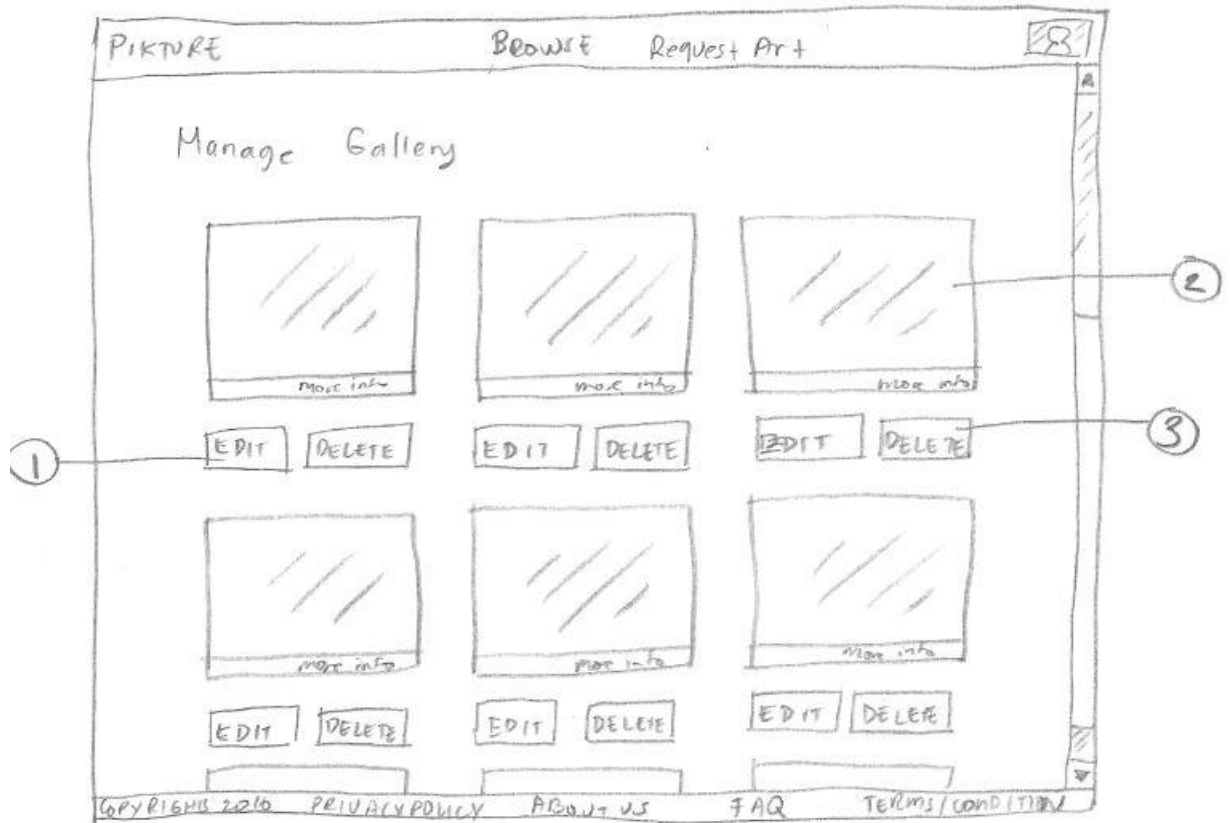

1. Brings the user back to the Main Page [A].

2. Brings the user back to the Artist Account Page [E].

3. Opens a pop-up window that lets the user browse from his computer the art he wants to upload in the website. [Q.5]

3. Clicking it pops-up a window if the user really wants to delete the art. [Q.7]

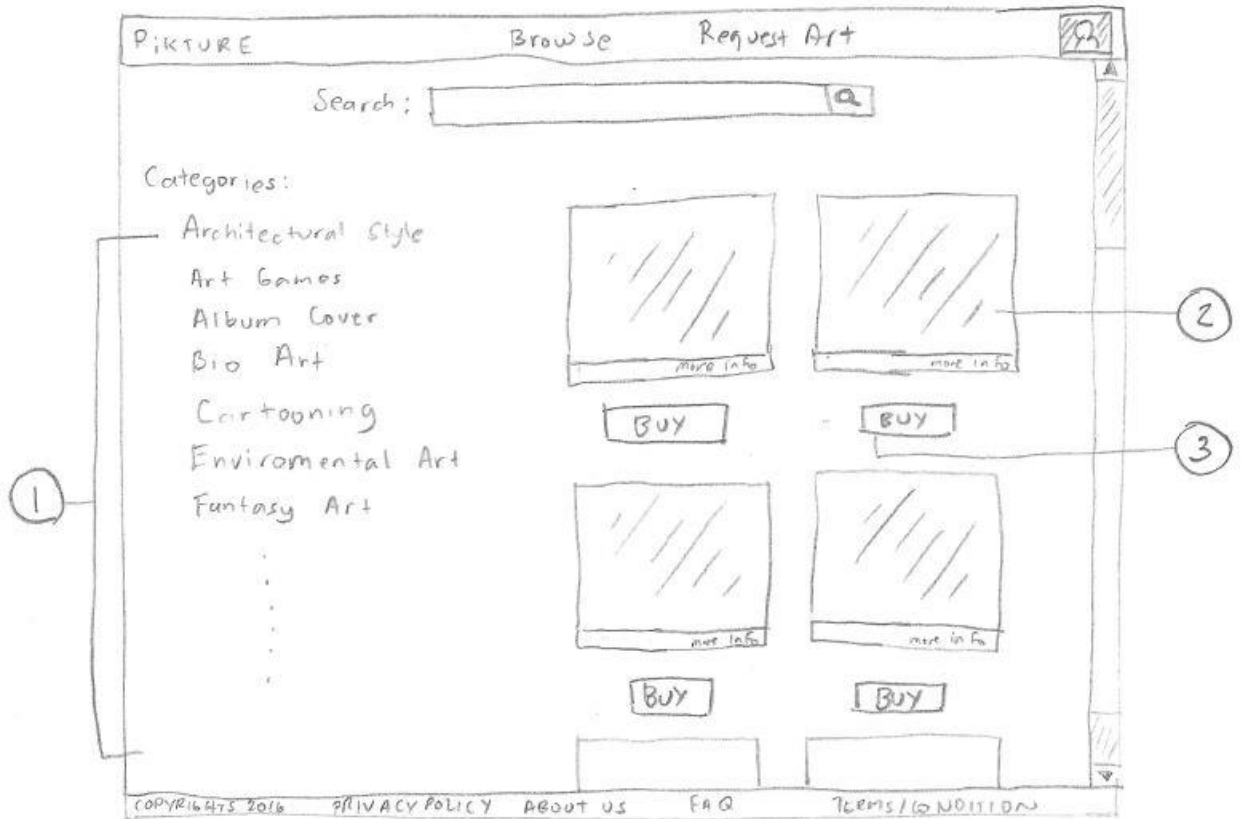

## H. Art Setting Page

The wireframe shows a web page titled "Edit Your media Description". At the top, there is a navigation bar with links: "PICTURE", "Browse", "Request Art", and a small icon. The main content area includes a large square placeholder for an image, labeled "Picture". To the right of the image placeholder are form fields for "Title:" (with a placeholder "imgName"), "Description:" (a text area), "Tags:" (a text input), "Category:" (a dropdown menu), and "Pricing:" (a text input). Below the image placeholder is a "License:" field. At the bottom left, there is a link "Go back to manage Page" labeled with a circled "1". At the bottom right, there is a "SAVE" button labeled with a circled "3". A vertical sidebar on the right contains a list of items, with the second item labeled with a circled "2". The footer contains copyright information "COPYRIGHTS 2016" and links for "PRIVACY POLICY", "ABOUT US", "FAQ", and "TERMS/CONDITION".

1. Clicking the link will bring the user back to **Manage Art Page [G]**.
2. Information that user can edit.
3. Clicking it will update the art's information and save it to the database. Goes back to **Artist Account Page [E]**.

## I. Browse Category Page

1. Clicking the category links will filter the arts displayed on the page.
2. Clicking the art will go to the **Art Detail Page [C]**.
3. Clicking it goes to the **Checkout Page [J]**. If the user hasn't logged in yet, a pop-up window shows up to ask the user to log-n or create an account, otherwise, the user can check-out as a guest user that will bring the user go the **Checkout Page [J]**.

## J. Checkout Page

The sketch shows a web browser window with a title bar containing 'Piktura', 'Browse', and 'Request Art'. The main content area is titled 'Checkout' and is divided into two sections: 'Product Information' and 'Billing Information'.

**Product Information:**

- Item detail:**
  - IM6042 ... \$200.00
